

PA Central District Fall 2015

Worthy Faithful Navigators, Comptrollers and brother Sir Knights,

It is an honor to continue as Master for the Pennsylvania Central District and serve our many fine Sir Knights. The Patriotic Degree has an important and challenging mission that will take all of us working together to succeed. As part of my plan to promote the 4th Degree, I have published a quarterly district newsletter, which offers another conduit for information. The newsletter will continue to evolve over time and I encourage you to provide feedback and share with Sir Knights and Knights alike. Here are a few items I want to address:

Chain of Command: I am a firm believer in following the chain of command. Please enforce this policy with your officers and members. Bottom line is I can't help you if I don't know about a problem or issue. I do my very best to respond to emails/calls and get an answer in a timely manner. Although a member may think calling Supreme is the fastest way to resolve an issue, it actually adds time, especially with limited staffing. Many times the request is simply sent back to down the chain to resolve; the answer sought is only further delayed.

Officer Installations: Please let me know when you would like to schedule your officer installations as soon as possible. I will make every effort to make the installation and, if unable to attend due to a previous commitment, will ask a former master to stand in my place.

Reports: There are a number of practical reasons why reports are to be completed and on time. We need to know who your assembly officers are so we know who to contact, especially if there is an urgent situation. The Navigator and Comptroller need the report of officers turned in for online access to membership and billing. Having conducted an investigation of a faithful purser misappropriating funds from his assembly in another region, I can't underscore the importance of the assembly annual audit.

Degree Team: We have an outstanding district degree team. A number of new Sir Knights commented at our last degree how impressed they were the exemplification, which reflects highly on the quality of our team. Please contact SK Tom Rafferty or myself if you are interested in joining the team.

Obituaries: Given the ever shrinking amount of time between the posting of an obituary and funeral services, it is critical to check obituaries on a daily basis. A great online source is <http://www.legacy.com/ns/>. I search by the keyword "Knight". Sometimes, the family may only list the name of the council/assembly, so you may also have to search by the council or assembly name.

What is my plan to promote & grow the 4th Degree?

1. Publicity:

- Encourage assemblies to promote their activities in Supreme Council, State council, diocesan and local media.
- Distribute Central District and assembly newsletters to PA State Website, districts and councils.

2. Presence:

- Increase Color Corps participation in Confirmations, Ordinations and other church or local activities. Seek out the parishes that have not invited the Color Corps.
- Provide Honor Guards when requested for deceased family members and deceased 3rd degree members.
- Encourage assemblies to participate in local and regional events reinforcing the bonds between assemblies and councils.
- In addition to myself, encourage district and assembly officers to attend council meetings and exemplifications. Always ask for the opportunity and be prepared to speak.

3. Increase membership in the 4th degree

- Increase membership in the lesser degrees/develop new councils.
- Work with DDs to develop a coordinated exemplification plan (1st, 2nd, and 3rd degrees) that builds up to 4th degree exemplifications.
- Assist DDs with planning and promotion of 3rd degree exemplifications. Be prepared to talk.
- Publish and promote 4th degree exemplification schedules and information as early as possible.
- Focus on the putting principle of patriotism into practice, not the cost of tuxedos and regalia.
- Increase the number of assemblies holding information nights for prospective candidates.

4. Retention: Provide patriotic opportunities to all Sir Knights. Most will not become members of the Color Corps and need activities to maintain a connection to our patriotic principles.

Referrals are an effective method for recruiting. Examples include:

- Voter Registration drives
- Religious Freedom activities
- Military Vocations
- Citizenship Essay Contests
- Wounded Warrior and other veterans assistance
- Christmas cards to deployed soldiers
- Outreach to local emergency responders
- Social events with Patriotic Themes

New registrations for the upcoming General Election must be submitted by Monday, October 5, 2015.

PAST AND FORMER MINIATURE JEWELS AUTHORIZED DISPLAY OF MINIATURE JEWELS ON REGALIA

I continue to see miniature jewels displayed in a variety of locations on the tuxedo, including on the pocket. There is one standard for wearing miniature jewels and it is found in the Color Corps manual:

1. Miniature past and former jewels in the order of precedence is detailed below. They are worn upon the formal tuxedo jacket, centered on the left front panel between the lapel and the left armhole seam with the **bottom edge of the jewel(s) 1/4 inch above the top of the pocket.**
2. A maximum of four medals may be worn on a single row with the left edge of the holding bar aligned with the left edge of the pocket.
3. If a second (or multiple) row(s) of medals is worn, the bottom edge of the ribbons on the top row of medals will extend down to the top edge of the MEDALS on the bottom row. When the upper row contains 4 medals the left edge of the holding bar will be aligned with the left edge of the pocket. When the upper row contains less than 4 medals it will be centered above the lower row (see pictured diagrams).
4. **No medals of any other group or organization are allowed to be worn in regalia, whether social or color corps.**

DUTIES OF KNIGHTS AS FAITHFUL CITIZENS

- To become active and informed participants in the political life of your local community.
- To register to vote and encourage others to register to vote.
- To initiate and participate in robust “get out the vote” efforts to bring voters to the polls in all primary, general, and special elections.

YOUR ROLE

- Knights are first and foremost Catholic citizens who are members of their communities and constituents of their elected officials.
- As a citizen, your most effective petition to an elected official is as an individual voter.
- As a Knight, you must exemplify your patriotic duty through the practice of charity and unity.

WAKES

From time to time there have been questions about who is entitled to an Honor Guard. The following from page 27, Color Corps Protocol provides guidance. Note that honors **shall be offered** for deceased 4th degree members and **may be offered if requested** in the other situations. Whatever the case, be proactive.

“Without exception, honors by the Honor Guard shall be offered to deceased Sir Knights of the Fourth Degree currently in good standing on all counts at the time of death. A two-man Honor Guard team in intervals may be offered to the immediate family members of a Sir Knight in good standing and Third Degree members in good standing and to their immediate family members provided a request is made.

It must be distinctly understood that the wishes of the family of the deceased member are paramount and will be given the fullest consideration as to the selection of elements of the Honor Guard involved, if any. “

When the deceased Sir Knight is a member of the clergy, four Honor Guard members should be posted to watch. If this deceased member is lying in state in church, the guards should be stationed two on each side on a line with the ends of the casket and two paces from it or from the candles which may be placed along the length of the casket. The Honor Guard will remain until the family departs or until directed by the family to leave.

If your Color Corps is having trouble staffing a viewing or funeral, please contact your diocese marshal, district marshal or Master.

Knights Participate in Little League World Series Grand Slam Parade

Hi Mark,

Convey my sincere thanks to your assembly for putting this together, especially Bob for all of his hard work.

Fraternally,

John L Fitzpatrick, Master

It was awesome and the guys did a great job. We had four flags out front with a guard on each side. Then we had five men marching in regalia with swords, a float with men in regalia and tuxedos and council members with their banner as well. We had a cardboard cutout of Pope Francis holding a baseball glove in the back of the float vehicle and it was very well received and was recognized by the commentators and broadcast internationally. I have to really recognize Bob Reissner's work putting this all together. Overall we had 38 Knights present. We know that will grow in future years.

Thanks,

Mark Schall

To our Lovely Ladies...

When your husband joined the Knights of Columbus, he joined the largest Catholic, Family, and Service Fraternity in the World. What does all that mean?" Simply put, he's doing a good thing! The Knights of Columbus is a Service organization, dedicated to supporting our parishes and community. We believe in the Family, and need our family's involvement and support. With these as its high ideals, it is the responsibility of his assembly to run programs and activities that support our parishes, Community, Family, Youth; promotes patriotism, and meets the needs of your Assembly.

Let's clarify an incorrect belief about the Knights of Columbus. While Knights keep secret their degree ceremonials, it is NOT a Secret Organization! If your knight isn't sharing with you everything else, then ASK HIM! Make him explain to you and his family about his Knights involvement. What activities, events and programs are being planned by the assembly; how the assembly is meeting the needs of the pastors and parish communities; and what family and youth events are coming up. And for any other question you may have, simply ASK HIM! He should welcome your interest and involvement!
